Subject: 1Q 2003 water data upload

Rusty,

I have uploaded the first quarter water data from the pipeline for the Sunnyside Refuse/Slurry operation. A report is attached.

Field parameters (flow, temp., D.O., conductivity) were missing for sites CRB, F2, and Well-1. I have now set the parameters in the database so that the samples will not upload without all required parameters.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.
